Other Professional Development Activities

1. The Board should also plan on a rotating schedule of professional development opportunities annual that will allow them to engage with other trustees from around the Pacific region and the WASC service region. Teams of 2-3 trustees should participate in activities such as the:
 - Pacific Post-Secondary Education (PPEC) Board Development workshops
 - Association of University and College Governing Board (AGB) Annual Meetings and Workshops
 - Association of Community College Trustee (ACCT) Annual Meetings and Workshops

In this manner, every COM-FSM board member could be expected to have at least one external professional development activity annually.

2. The College should seek membership in either ACCT or AGB so as to receive their regular journal publications on trusteeship, best practice bulletins, updated policy alerts.
3. Attend special workshops, such as the Board Chair/Board President workshops offered by AGB or the AGB Foundation workshops, that relate to special areas of emphasis.
