

MEMORANDUM

To: COM-FSM Alumni

From: College of Micronesia–FSM

Subject: Invitation to Join the COM-FSM Alumni Platform

Date: 01/28/2026

The College of Micronesia–FSM warmly invites all graduates to join the official [COM-FSM Alumni Platform](#), a space created to reconnect, collaborate, and strengthen the lifelong bond between alumni and the College.

Our alumni are one of COM-FSM's greatest strengths. By staying connected, alumni gain access to a growing professional network, opportunities for career development, institutional updates, and avenues to contribute to the continued growth of the College. The platform also provides a way to celebrate alumni achievements and maintain meaningful connections with classmates, faculty, and the wider COM-FSM community.

Active alumni engagement plays a vital role in supporting current students. Alumni can serve as mentors, role models, guest speakers, and advisors—sharing real-world experiences that help students better understand career pathways, workplace expectations, and academic goals. Your stories and guidance inspire students and help them make informed decisions about their futures.

Alumni involvement is especially valuable for students planning to transfer to other colleges and universities. Many COM-FSM graduates have successfully continued their studies abroad and at partner institutions. By sharing insights on transfer processes, academic preparation, and student life beyond COM-FSM, alumni can help ease transitions and increase student success in further education.

To encourage participation, **an online alumni raffle will be held on March 27, 2026**. Alumni who join and participate in the platform will have a chance to win exciting prizes:

- **First Prize:** \$1,000
- **Second Prize:** \$300
- **Third Prize:** \$200

By joining the COM-FSM Alumni Platform, you help build a stronger alumni network that benefits not only yourself but also future generations of students. Your participation supports student success, strengthens institutional partnerships, and contributes to the long-term advancement of the College of Micronesia–FSM.

We encourage all alumni to register, stay engaged, and be an active part of the COM-FSM community.

For more information and to join the alumni platform, please visit:
