

AGENDA ITEM ____

Review of Board Policy (BP) No. 1110 (Assessment)

RECOMMENDED DIRECTIVE:

The Board hereby approves Board Policy No. 1110 (Assessment) without any amendments to its substantive content, but with the inclusion of updated references and an explanatory footnote, for the following reasons.

A review of the current policy against the previously adopted version confirms that the operative language of BP No. 1110 — including its five stated objectives and the description of the program assessment and program review cycle — remains unchanged.

- A. **Date Reviewed entry** — updated to reflect the Board's most recent review on 01–04 September 2026, in addition to the prior review dates of 21 March 2019.
- B. **A "References" line** — added to formally cite the policies and standards that inform BP No. 1110, specifically:
 - 1. BP No. 2002 (Mission, Vision, Core Values, Strategic Goals and Outcomes, and Institutional Student Learning Outcomes)
 - 2. BP No. 2003 (Integrated Planning and Implementation Framework)
 - 3. ACCJC Standard 2.9 (adopted June 2023; edited through June 2025)
- C. **An explanatory footnote** — added to reproduce the exact language of ACCJC Accreditation Standard 2.9, together with a citation to the ACCJC standards webpage, so that readers can see the specific accreditation requirement that BP No. 1110 is designed to satisfy.

DISCUSSION:

Policies and procedures are dynamic frameworks that evolve with an organization. While their core principles ensure stability, their specifics must adapt to meet the institution's growth and evolving needs. To support this, the Office of the President (OTP) collaborates continuously with relevant standing committees within the college's participatory governance structure to regularly review and refine policies under its direct oversight. On August 25, 2026, the Executive Committee (EC) reviewed and recommended BP No. 1110 (Assessment) for consideration and approval by the Board of Regents.
