

JENESYS 2026 Exchange Program

JENESYS 2026 exchange program is inviting 1-2 student(s) (subject to availability of funds) from the College of Micronesia, FSM to participate in a short-term program. See outline of dates and themes below:

Date of Travel (Tentative)	GROUP	THEME
January 26 – February 3 2027	1	Maritime

Requirements:

COM-FSM internal selection criteria:

1. Must be a current full-time student under a degree program with at least one completed full time semester under a degree program, and will not be graduated before Spring 2027.
2. GPA should be ranked from the highest, based on the cumulated GPA. This selection is capped at the cumulative GPA 3.7 and above.
3. Preference is given to students who is a citizen of the FSM, have not participated in previous Kizuna or Jenesys projects, and medically fit to travel.
4. If all credentials are the same, the position should be given to prioritize sophomores/or the last year students with the most QP / Hrs earned along with the highest GPA.
5. Previously participated students of any exchange program in representing the college are not suggested to be selected in order to give the chance to other outstanding students.
6. A valid FSM passport with at least 6 months of validity by the time of travel (may be submitted upon being selected).
7. Between 18-34 of age by the time of travel.

Application items:

- A COM-FSM transcript with at least one full time semester with grades (unofficial is acceptable). The cumulated GPA should be 3.7 and above.
- A completed application form with three required essays. The interested applicant may contact Professor Karen Kan Lun Tu for the application form.

Application deadline:

October 16, 2026

The applicants should submit his/her application items to Professor Karen Kan Lun Tu via email kanluntu@comfsm.edu.fm titled as "JENESYS 2026" by October 16.

The Vice President of Instructional Affairs office will announce the selection result by October 20, 2026 (Only the selected student(s) will receive the email notification).
